GOVERNOR DUMMER ACADEMY - SOUTH BYFIELD - MASSACHUSETTS

A Different Kind of School Catalog

This special issue of the school newsmagazine, *The Archon*, is published early each summer. We believe it is just as useful as the ordinary school catalog, and we hope it is more interesting.

Most of the text and many of the pictures appeared in the regular issues of *The Archon* published during the school year just past.

The last three pages carry a roster of trustees, faculty, and students for 1958-59.

THE COVER

Our cover shows the historic Mansion House built by Lieutenant-Governor William Dummer about 1716 and now used as the home of the Headmaster and his family.

July 1, 1959

NEW ATHLETIC FIELD AND CINDER TRACK GIVEN SCHOOL

On April 8 construction began on Governor Dummer's new athletic field and cinder track estimated to cost \$100,000. It will be ready for use in the spring of 1960.

David E. Huggins of Greenwich, Connecticut, member of the class of 1939, together with his mother, has given the track and the enclosed field as a memorial to his father, the late G. Ellsworth Huggins of Montclair, New Jersey. Mr. Dunning and members of the athletic department have had the help of Fay, Spofford and Thorndike, Boston engineering firm, in designing the track.

The new facility, which will be named the Huggins Field and Track is located east of the Alumni Gymnasium and north of the existing Morse Field. It occupies nearly six acres of land, and 35,000 cubic yards of fill will be required to bring that low-lying area up to grade with the adjacent Morse Field.

The quarter-mile cinder track will include a 220-yard straightaway and will enclose a full-sized football field. Runways and take-offs for the various field events will be located in the oval beyond the end zones and will be constructed of an asphalt and fiber material which provides maximum usefulness under all weather conditions, and which requires minimum maintenance.

Track has been a popular sport at the Academy in recent years. Running on a temporary grass surface, the Governors have compiled an enviable record and have lost only one dual meet in the last four years. The new facility will be encouragement to all future teams and should add still further to the popularity of the sport in which Mr. Huggins excelled in his days as a student at the academy. Mr. Huggins broke the all-time Governor Dummer record in the high jump in 1939 with a jump of 5' 9½"; and his record stood until 1953 when it was broken by Carl Pescosolido, Jr. with a jump of

(Continued on page 24, col. 2)

FIVE COUNTRIES. TWENTY STATES SEND RECORD STUDENT BODY

Twenty states, the District of Columbia, and five foreign countries were represented at Governor Dummer for the 1958-59 school year. There were 199 boarders, 27 day students, or a total of 226 boys.

Every available room was filled, including two extra spaces made available by changes in faculty housing. In addition, one boy had to be assigned temporary room in the Duncan Infirmary.

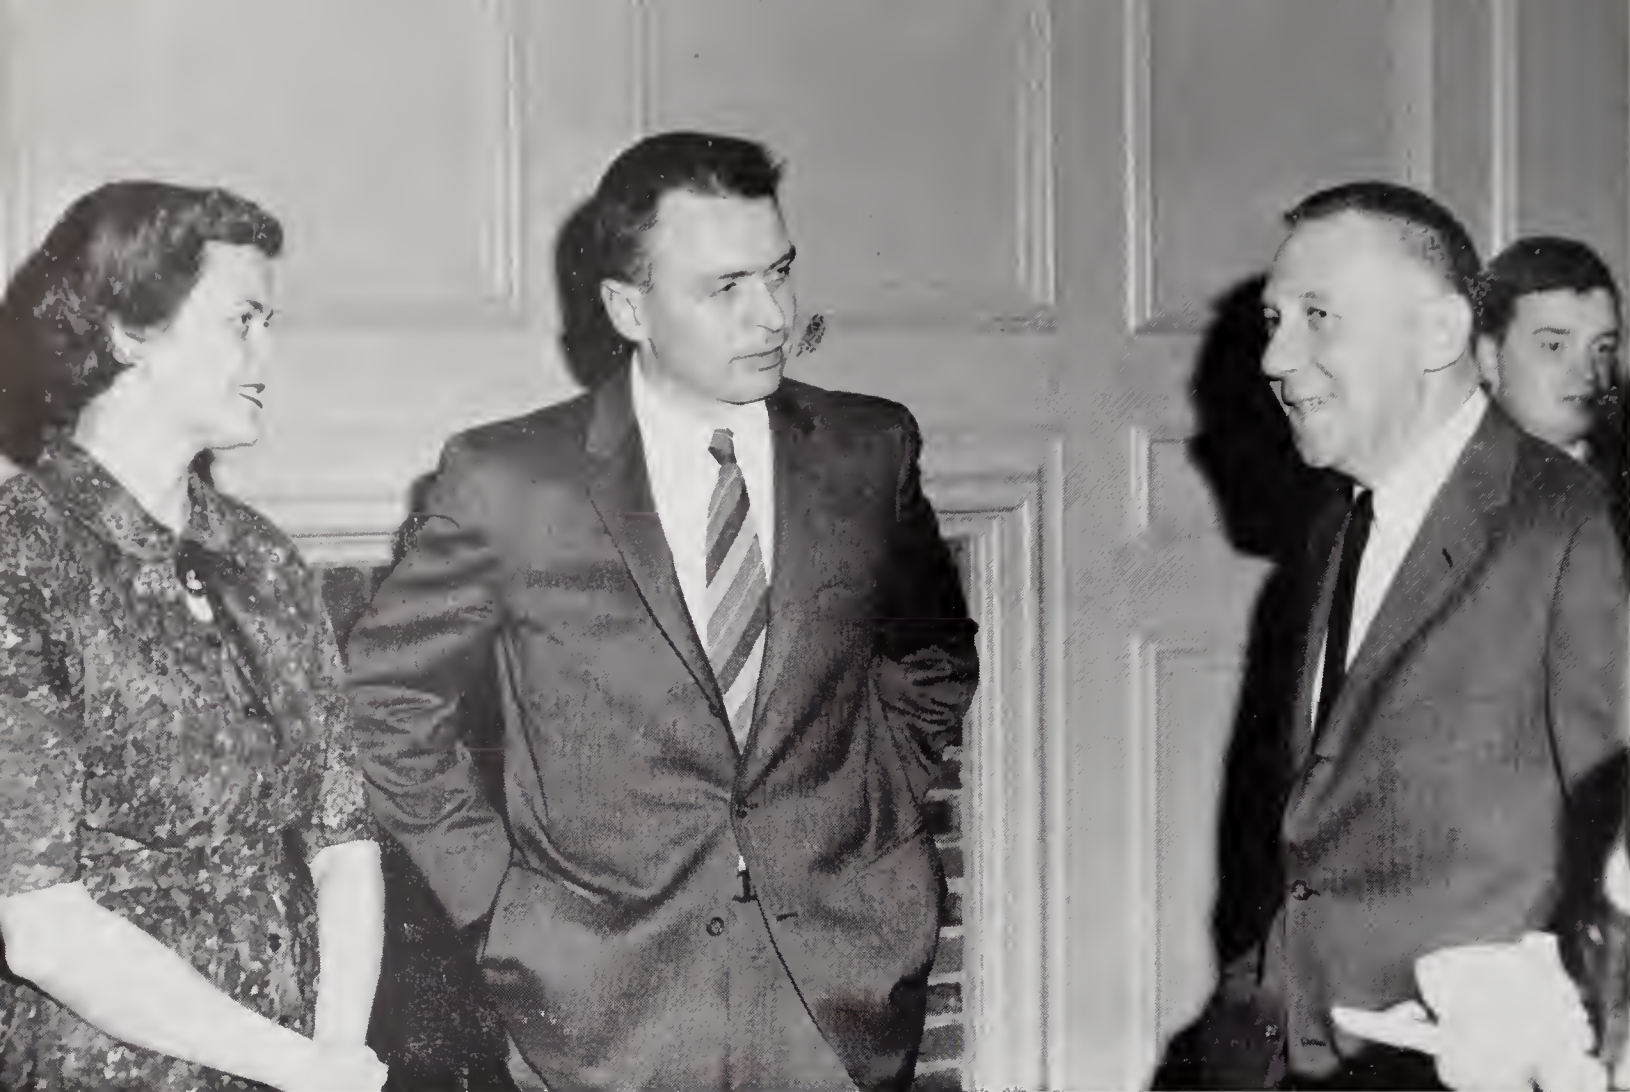

Students outside of Massachusetts came from the following states: California 4, Connecticut 10, Florida 2, Illinois 7, Iowa 1, Louisiana 1, Maine 8, Missouri 1, Nebraska 1, Maryland 1, Michigan 1, Minnesota 1, New Hampshire 8, New Jersey 8, New Mexico 2, New York 22, Ohio 4, Pennsylvania 6, and Rhode Island 4. There was, in addition, one boy from the District of Columbia.

Foreign students came from Bermuda, Canada, and England. In addition the British West Indies (Trinidad) and France were represented by American boys whose parents are now resident in those countries.

COLIN CURTIS '55 IS GOVERNOR DUMMER'S FIRST RHODES SCHOLAR

Colin M. Curtis '55 of Tucker's Town, Bermuda, has been awarded the Rhodes Scholarship from Bermuda for 1959 and is the first Governor Dummer graduate ever to receive that honor.

Curtis spent two years at Harvard after graduating from Governor Dummer and is currently reading law at Queen's College, Oxford. He will complete his training and take his bar examinations in England but plans eventually to return to his native Bermuda to practice law.

MR. AND MRS. WILKIE CHAT WITH MR. NAVINS OF THE FACULTY (RIGHT) IN THE COBB ROOM

MR. VALLEAU WILKIE, JR. WILL SUCCEED DR. EDWARD W. EAMES

New Headmaster Is Yale Graduate.

Former Instructor, Coach, and House

Master at Phillips Academy

Mr. Marshall B. Dalton, President of the Board of Trustees, announced on January 17 that Mr. Valleau Wilkie, Jr., an instructor in history at Phillips Academy, Andover, had been elected Headmaster of Governor Dummer effective July 1, 1959, to succeed Dr. Edward W. Eames, who is retiring after a 29-year term of office.

Mr. Wilkie, thirty-five years old, prepared for college at Salisbury School, Salisbury, Connecticut, and earned his bachelor of arts degree at Yale University in 1918. Later graduate study brought him a master's degree in history at Harvard.

At Yale Mr. Wilkie specialized in history, earning a place on the Dean's List throughout his junior and senior years. He won his major letter in football and was elected to Delta Kappa Epsilon and Skull and Bones.

His college career was interrupted by a three-year tour of duty as an Army Air Force bomber pilot. The first two years of this period he spent in Texas, Florida, and England; the last twelve months he spent as a prisoner of war in Germany.

Mr. Wilkie joined the faculty of Phillips Academy at Andover in 1918 and has now completed his eleventh year there. Besides teaching history and serving on various faculty committees, he has been a housemaster, an assistant coach of varsity football, and head coach of varsity baseball.

The Headmaster-elect is married to the former Marjorie Hankin of Summit, New Jersey, who is a graduate of Mount Holyoke College. They have two children, Janice, eleven years old, and Robert, nine. The Wilkies are members of the Episcopal Church.

Mr. Dalton's announcement to parents, alumni, and other friends of the Academy concluded: "The search for a suitable successor to Dr. Eames has been carried on

diligently over a period of five months by a Selection Committee composed of six trustees of the Academy. This Committee included two distinguished headmasters of other schools. Dr. Frank L. Boyden of Deerfield Academy, and Dr. Claude M. Fuess, headmaster-emeritus of Phillips Academy, Andover. After careful and earnest consideration the Committee and the Board of Trustees were unanimous and enthusiastic in their choice. Mr. and Mrs. Wilkie are equally enthusiastic in wanting to come to Governor Dummer. We commend these two people to you and we ask for them your friendship and support."

NEW AUDIO-VISUAL ROOM IS OPENED IN FROST BUILDING

In the past few months a new addition to the school facilities, the Audio-Visual Room, has been in operation. Situated in the basement of the Frost Building with a capacity of fifty people, this adequately-equipped room provides better facilities for sound and visual education, chiefly in the teaching of English and vocabulary building. To prepare the room for its use, new acoustic tile had to be put in, black-out curtains hung at the windows, bulletin and blackboards installed, and storage space for equipment provided. The equipment includes an opaque projector, two sound projectors, and a projector for slides and film strips, a record player, and one permanent and two portable screens. As more and more films, slides, and filmstrips are acquired, a library will be developed and kept under Mrs. Thurlow's care in the librarian's workroom.

Throughout the year the majority of the junior and senior English classes spent at least one period a week in the Audio-Visual Room. The Vocabulary Building teachers showed their reading improvement films there. The Audio-Visual Room provides a place for lectures and demonstrations in science, history, and languages.

The room was officially opened on Saturday, November 15, when Miss Barbara Wriston of the Museum of Fine Arts in Boston gave an illustrated lecture on Roman Architecture for the fifty-two members of the senior English courses.

SENIORS SUCCESSFUL IN COLLEGE ADMISSION

Fifty-four of the fifty-six seniors who received their diplomas on Commencement Day have received notice of their admission to the college of their choice. Of the other two, one is the English Exchange Student returning to England and one was definitely not a college candidate.

Middlebury will claim six members of the class. Dartmouth and the University of Pennsylvania follow with five boys each, and Harvard with four. Hamilton College took three; Yale, Princeton, Williams, Trinity, Tulane, William and Mary, Denison, and Kenyon two boys each, while the remaining fifteen members of the class are scattering to as many campuses.

Ivy League, New England Colleges Are Favored by Last Ten Graduating Classes

Governor Dummer can be proud not only of the extremely high proportion of its graduates who gain admission to college, but also of the high calibre of the colleges who admit them. Mr. Stone's office has provided *The Archon* with the following list of all colleges to which ten or more Governor Dummer graduates have been admitted in the past ten years, together with the number admitted in the same period.

Harvard	65
Amherst	40
Brown	40
Dartmouth	37
Princeton	30
Colby	21
Trinity	20
Yale	20
Middlebury	19
University of New Hampshire	19
Washington and Lee	16
Bowdoin	15
Cornell	15
Hamilton	15
Kenyon	12
Williams	11
67 other colleges with fewer than ten boys each	206
Total college admissions in 10-year period	601
Total number Academy grad- uates in same period	619

THE FROST BUILDING, DEDICATED IN OCTOBER 1957, HOUSES LIBRARY, CLASSROOMS, AND MODERN LABORATORIES

THE 1959 MILESTONE DANCE

NEARLY 100 COUPLES ATTEND ANNUAL MILESTONE DANCE

For weeks previous to the glorious occasion which annually blesses the campus the boys had been in quest of Cinderellas, and at the nine o'clock deadline on April 27 the Dance Committee had nearly one hundred couples planning to attend the gala affair on May 2.

At approximately 2:15 on Saturday afternoon one of the Boutin Busline Specials pulled up in front of the Phillips Building with many of the guests from Boston. After showing the young ladies to their respective dormitories, the boys escorted them to the athletic contests in progress on Morse Field, where they saw the baseball team defeated by Tabor while the lacrosse team was scoring a decisive victory over the Tufts Freshmen. At six o'clock that evening the visitors were guided to the Perry Room in the Phillips Building where they met their escorts and were presented with gardenias before attending the formal dinner at 6:30.

In the reception line at the beginning of the dance were Dr. and Mrs. Eames, Mr. and Mrs. Ashley Eames, and Robert H. Pouch, Chairman of the Milestone Dance Committee. Dancing began at 8 o'clock, and from then until midnight the couples enjoyed the music of Ralph Stuart, featuring an electric guitar which gave an Hawaiian effect to the group's repertoire. After the dance the senior boys and their guests were entertained by Head-

master and Mrs. Eames in the Mansion House, while the Ashley Eameses and the Robert Andersons entertained the underclassmen at a similar party in the dining hall. At 12:30 both parties terminated and everyone returned to the dormitories.

On Sunday morning the boys accompanied their dates to an 8:45 school breakfast in the dining room. After breakfast there was an opportunity for touring the campus, but at 10:30 boys and girls assembled again for the chapel service in the Cobb Room, where the Reverend A. Graham Baldwin of Andover Academy was the speaker.

RADIO CLUB BUILDS AND OPERATES TRANSMITTER

This year's Radio Club, a small but enthusiastic group under the supervision of Mr. Fenn, held its first meeting on October 6 and elected the following slate of officers: Sandy Cate, President; Stephen Blair, Secretary; and Peter Machinist, Treasurer.

The club built and operated a transmitter in their clubroom in the basement of Ingham in order to send and receive signals over a small area. In this way inexperienced members were given a chance to work towards obtaining their amateur's license and more experienced members had an opportunity to develop their interest in the field of radio.

THE ARCHON OF GOVERNOR DUMMER ACADEMY

COLLEGE ADMISSIONS OFFICERS VISIT GOVERNOR DUMMER

Again last fall the Academy enjoyed helpful visits from the admissions officers of several colleges. The primary purpose of these visits is to interview prospective candidates; but they also provide an opportunity for those students who have not yet made definite college plans to learn what the different colleges are like. Twenty-one admissions men visited Governor Dummer during the year, some of them speaking to the entire student body and not alone to the college candidates.

Two of the visitors were former teachers at the Academy. Mr. Thomas W. Eglin was a member of the faculty here in 1956-57 and assumed his present duties as Assistant Director of Admissions at Princeton in September 1957. He spoke to the student body at an evening meeting when he was here on November 12.

Mr. Richard G. King, now Associate Director of Admissions at Harvard, taught at the Academy from 1946-1948. Before assuming his present duties in 1956, he was associated with the College Entrance Examination Board.

FREE DAY ENLIVENES WINTER TERM SCHEDULE

After the vesper service on Sunday night, February 1, Mr. Eames announced a Free Day. Immediately the whole Cobb Room trembled to the thunderous roar of students' glee. Everybody had looked forward to this day; — finally it had come.

The day began with an optional breakfast which many chose to sleep through. During the morning hours, varied activities were going on. Some of the boys were catching up on their studies; others were writing letters; and still others enjoyed the luxury of doing absolutely nothing. Later, after the noon meal, the athletic teams held informal practices which lasted most of the afternoon. At six o'clock that night the Free Day drew to a close, and the school returned to its normal routine, rested and relaxed.

CHURCH AND SCHOOL LEADERS SPEAK AT VESPER SERVICES

FALL TERM

The Reverend James W. Lenhart of State Street Congregational Church, Portland, Maine.

The Reverend F. Goldthwaite Sherrill of Ascension Memorial Church, Ipswich.

The Reverend Kenneth C. Gesner of the First Church in Chestnut Hill.

The Reverend Wallace W. Anderson of the United Congregational Church, Bridgeport, Connecticut.

The Reverend Daniel Bliss, Assistant to the Executive Vice President of the American Board of Commissioners for Foreign Missions.

The Reverend Bertrand H. Steeves of The First Religious Society (Unitarian), Newburyport.

Dr. J. Seelye Bixler, President of Colby College, Waterville, Maine.

The Reverend John Nicol Mark, Minister Emeritus of the Unitarian Church in Arlington.

Dr. Claude Moore Fuess, Headmaster Emeritus of Phillips Academy, Andover.

The Reverend William Spofford, Chaplain at Massachusetts General Hospital, Boston.

WINTER TERM

The Reverend David S. King, Chaplain at Amherst College.

The Reverend Richard Greeley Preston of All Saints Church, Worcester.

The Reverend C. Leslie Glenn, member of the faculty of the Medical School, University of Michigan.

The Reverend Robert Wood Coe, Executive Secretary of the Massachusetts Bible Society.

The Reverend Dwight L. Cart of the First Congregational Church in Winchester.

The Reverend Rollin J. Fairbanks of Episcopal Theological School and Harvard Divinity School.

The Reverend Frederick M. Meek of the Old South Church, Boston.

The Reverend Roy L. Minich, retired minister of The First Church in Malden.

THE GOVERNOR DUMMER GLEE CLUB IN HISTORIC HAMILTON HALL AT SALEM

The 1958-59 schedule also included four joint concerts with the girls of the Walnut Hill School, Dana Hall School, Beaver Country Day School, and Abbot Academy. The Club also participated with Dana Hall, Beaver Country Day, Groton School, Milton Academy, Phillips Exeter Academy, Walnut Hill, and the Winsor School in the New England Preparatory School Music Festival at Symphony Hall, Boston, where about 1,500 listeners heard them present a two-hour program conducted by Dr. Wilfrid Pelletier. At each of the joint concerts a dinner party for the members of the participating clubs preceded the concert and informal dancing followed.

SPRING TERM

Dr. William G. Cole, Dean of Freshmen at Williams College, Williamstown.

The Reverend Wallace W. Robbins of the First Unitarian Church in Worcester.

The Reverend William G. Berndt of St. Mary's Episcopal Church, Newton Lower Falls.

The Reverend Frederick W. Phinney of St. John's Episcopal Church, Beverly Farms.

The Reverend A. Graham Baldwin, school minister of Phillips Academy, Andover.

The Right Reverend Henry K. Sherrill, former Presiding Bishop of the Protestant Episcopal Church.

The Very Reverend John B. Coburn, Dean of Episcopal Theological School, Cambridge.

The Reverend Thomas G. Cleveland of St. John's Church, Taunton.

The Reverend Frederic A. Pease, Assistant School Minister, Phillips Academy, Andover.

The Reverend Leslie R. Wadsworth of The First Church in Newbury.

JUNIOR GLEE CLUB IN CONCERTS WITH FOUR GIRLS' SCHOOLS

In addition to the regular school glee club Governor Dummer also has a Junior Glee Club, under the direction of Mr. Arthur W. Sager, which gave their first concert of the school year on Saturday, January 17, at the Beaver Country Day School. The concert was followed by a dance and refreshments.

On the 24th of January the Glee Club accepted an invitation to a dinner-dance at Walnut Hill. Although it was strictly classified as a social gathering for the boys and girls, the boys were urged into singing a few selections that they usually give at concerts.

On February 28 the club went to Beverly for a joint concert with the Shore Country Day School, where the Governors were guests at a pre-concert dinner and a post-concert dance, and on April 18 they went to Wellesley for a joint concert and dance with the Dana Hall Junior Glee Club.

INGHAM HOUSE, NEWEST DORMITORY, OVERLOOKS ONE OF ACADEMY'S TWO HOCKEY PONDS

Scene of varsity home games, this ice, floodlighted for late afternoon practice, was exceptionally good in the winter of 1958-59.

DR. ROBERT WILKINS GIVES ANNUAL CUM LAUDE ADDRESS

On May 8 nine seniors were initiated by the Governor Dummer chapter of the Cum Laude Society, the preparatory school counterpart of Phi Beta Kappa. To attain this honor a student must have a senior year average of 80 or above, must stand in the top fifth of his class, and must be elected by the faculty members of the Chapter. The nine boys elected this year were Walter B. Cannon, John N. Catlett, David H. Ellis, Richard W. Hendrix, Ulysses G. Mason, III, Howard D. Medwed, Alan N. Stone, Jeffrey C. Wilson, and Jonathan K. Wise.

Following an initiation banquet in the school dining room, the local chapter, its guests, and the initiates adjourned to the Cobb Room for an impressive ceremony conducted by Mr. Stone. Mr. Allen Davidson, trustee of the Academy, gave the charge to the new members.

The entire student body and the faculty were invited to hear Dr. Robert W. Wilkins' speech which concluded the evening. Dr. Wilkins, a Newburyport neighbor and friend of the school, is Professor of Medicine at Boston University School of Medicine, is immediate Past President of the American Heart Association, and is widely known and honored for his distinguished contributions to the control of heart and blood vessel diseases.

E. R. B. STUDY SHOWS ACADEMY EXCELS IN READING SPEED

Governor Dummer's senior and junior classes ranked highest in reading speed among approximately 100 independent schools taking the Diagnostic Reading Survey Test, according to statistics released by the Educational Records Bureau in February 1959. While a number of factors are involved, Mr. Thomas McC. Mercer, Head of the English Department, believes that the primary reason for this performance is the developmental reading program incorporated in the Vocabulary Building course which is now required of all 10th grade students at the Academy.

Along with this speed, the junior and senior classes both ranked well above the inde-

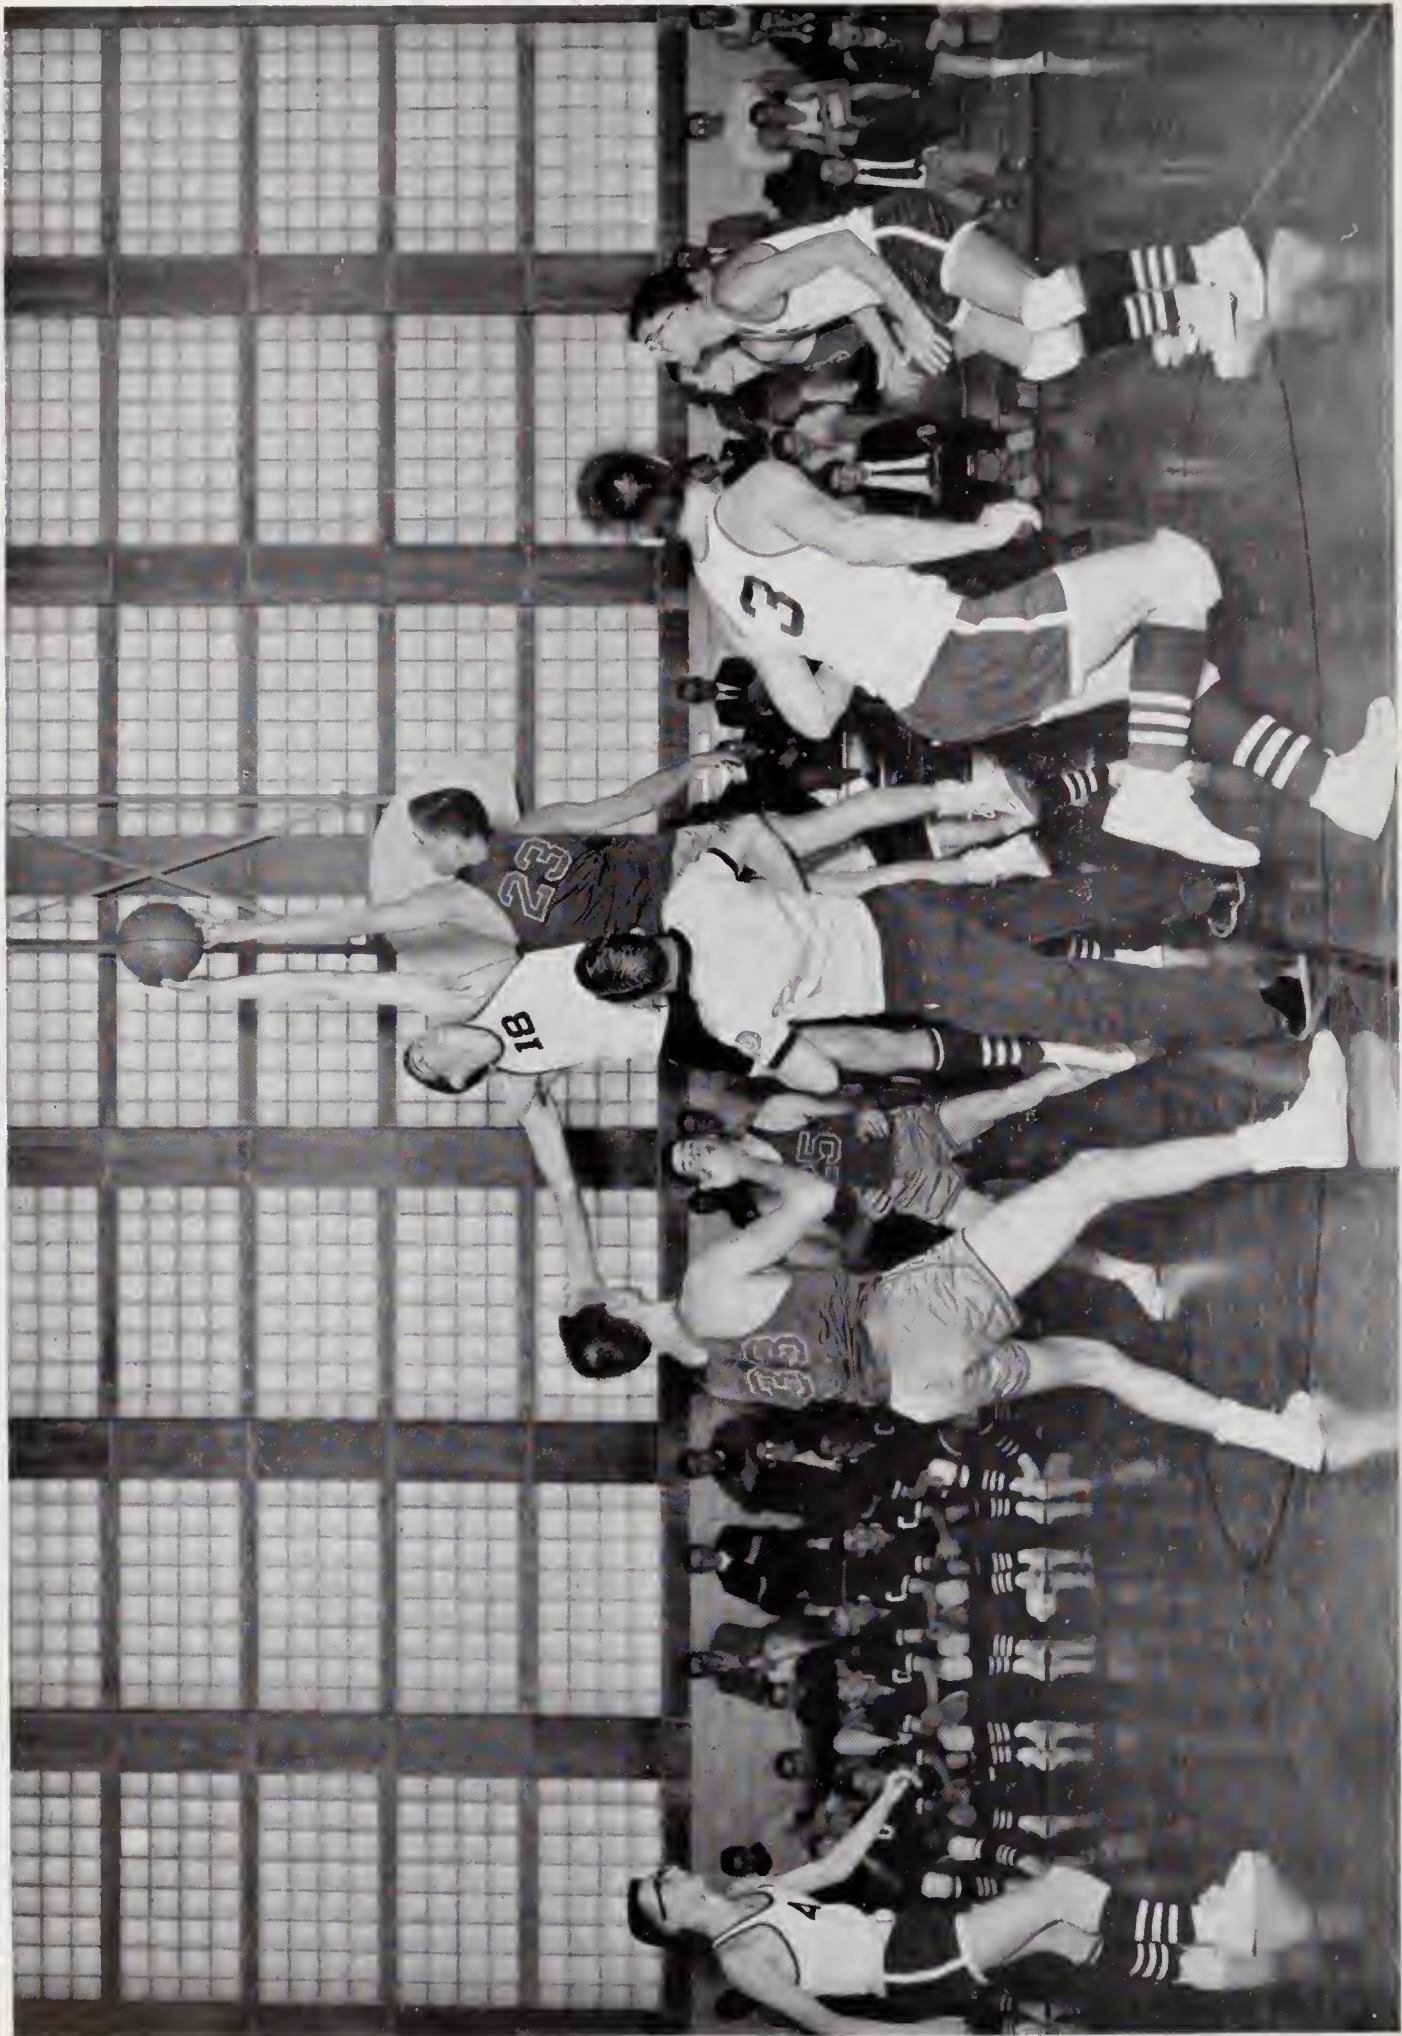

pendent school median in reading comprehension. It is interesting to note that the seniors, who have not had any special training since the sophomore year, were able to maintain a top rating in speed and at the same time to show substantial improvement in comprehension. The comprehension of the seniors was exceeded by only 18% of the schools tested in the E.R.B. program this year.

Mr. Mercer, in commenting on the performance of the sophomores in the developmental reading program during the current school year, reported that a typical section of 15 boys which had, at the beginning of the program, a median reading speed of 317 words per minute with 60% comprehension, completed the 12-week program with a median reading speed of 780 words per minute with 80% comprehension. This means, Mr. Mercer explained, that the "reading efficiency" of this group has improved 290%. Comparable gains were reported by the other sections. Individual boys succeeded in reading over 1,000 words per minute with good comprehension.

SECONDARY SCHOOL ADMISSION TESTS GIVEN AT ACADEMY

Governor Dummer joined the Secondary School Admission Test Board in the spring of 1958 and will again use the Secondary School Admission Tests as part of its admissions program for boarding candidates for the fall of 1959. These are the tests used by nearly 200 preparatory schools in much the same way that the colleges use the College Board examinations. They are administered by the Educational Testing Service in testing centers throughout the country and in some foreign cities. The test dates this year will be December 12, 1959, February 13, 1960 and April 9, although a candidate may take the tests on only one of these dates.

It is hoped that candidates for Governor Dummer will be in touch with the school by November 15 in order to allow time for registering for the December administration of the tests, because the number of vacancies for boys who wait until the February and April administration is necessarily reduced.

VARSIY BASKETBALL GAME IN ALUMNI GYMNASIUM

SIX SENIORS SCORE IN SCHOLARSHIP COMPETITION

The school has been notified that seniors William W. Capel of Champaign, Illinois, and Peter T. Vermilya of Princeton, New Jersey, have reached the finals in the 1958-59 National Merit Scholarship competition and have been awarded Certificates of Merit.

The seniors distinguished themselves by their high scores on the two college aptitude tests used in the competition, which is sponsored by a group of leading American industrial companies. About six-tenths of one per cent of the seniors in each state received the awards.

Governor Dummer was notified earlier that four other seniors, Edward S. Bliss, Jr. of Fall River; Burdette E. Bostwick, Jr. of South Orange, New Jersey; John N. Catlett of Mansfield, Ohio; and Everit B. Terhune, III of Malvern, Pennsylvania, had been commended by the Corporation for outstanding performances on the nationwide tests. These students rank in the top two or three per cent in ability of the senior students in their respective states.

In a class of fifty-three seniors at Governor Dummer, six, therefore, have placed in the top 2% of America's high school seniors. In the 1957 and 1958 competitions Governor Dummer had four finalists, one of whom went on to win a Merit Scholarship.

MR. EAMES AND MR. STONE ATTEND EDUCATIONAL CONFERENCE

On October 30 and 31 Mr. Eames and Mr. Stone attended the Twenty-third Educational Conference under the auspices of the Educational Records Bureau and the American Council on Education in New York City.

Mr. Eames presided at the Friday morning session, which had for its general topic "Strengthening the Quality of American Education." He introduced the following speakers: Mr. John H. Fischer, Superintendent of the Baltimore Schools; Dr. Alan T. Waterman, Director of the National Science Foundation; and Dr. Lester W. Nelson, Treasurer and Associate Program Director of The Fund for the Advancement of Education.

SENIOR COUNCIL NAMED AT JUNIOR CLASS MEETING

Every year, in the spring term, the junior class elects sixteen boys to serve as the Senior Council the following fall. Holding this position of responsibility next year will be:

Richard S. Benner, II	Murray R. Mathews, Jr.
James C. Deveney, Jr.	W. Richard Nalchajian
Hugh H. Dietz	Geoffrey H. Nichols
Nathanael N. Greene	S. Robert Rimer
Laurence G. Hanelin	John L. Slater
John R. Hyslop	Thomas F. Taplin
Thomas P. Jones, III	R. William Turner, Jr.
C. Frederic Lyman, Jr.	Arnold S. Wood, Jr.

The Senior Council is a very important part of the school. Besides the usual functions of headwaiting in the dining room, helping at the movies on Saturday nights, and providing relief for masters on corridors, these boys are the coordinators of school spirit.

ALUMNI NEWS

Dr. Philip N. Sawyer '43 has been named a Scholar in Medical Science of the Markle Foundation, which carries an award of \$30,000 to be paid his medical school over a five-year period in support of Dr. Sawyer's career in teaching and research. He is an instructor in surgery at State University of New York, Downstate Medical Center College of Medicine, Brooklyn.

* * * *

Dr. Daniel F. Hanley '35, College Physician at Bowdoin College, has been named to the medical staff of the U. S. Olympic team.

* * * *

J. Hall Cushman '44 has been appointed Principal of the Lower School at Germantown Friends School, Philadelphia.

* * * *

Herbert Hoffman '47, who received his B.A. from Harvard magna cum laude in 1951, received his doctorate in archeology from Harvard this June. For the past two years he has been a Fellow at the American Academy in Rome and participated in excavations in the Middle East.

* * * *

John L. Coon, III '55 and Allan R. Keith '55 have been named to the Dean's List at Amherst for academic achievement during the fall semester.

EDITORIAL

At the beginning of every school year, a vast amount of extra curricular activity becomes available to the entire student body. Boys attending Governor Dummer for their first year are encouraged to participate in the school clubs, periodicals, and discussion groups and to work on the publications; returning students are asked to assume a greater amount of responsibility in the various organizations that they have been associated with in the past. Too often, however, many students, old and new, hesitate to become active in these groups. Consequently, they fail to benefit from one of the most worthwhile and rewarding phases of school life.

It is necessary, of course, to be very selective in one's choice of activities. The amount of time required by the organization and the particular advantages it offers must be taken into consideration. It is imperative that one does not "overload" his schedule and endanger his scholastic endeavors. Also, one must be aware that each activity requires a certain amount of responsibility.

With this in mind, every student should consider the many phases of school life available to him, choose one or several of the most suitable activities, and become an active part of the school he attends.

P. M. S.

TWELVE SENIORS CONSTITUTE RELIGIOUS DISCUSSION GROUP

Twelve boys again this year met with Mr. Williams in the old kitchen of the Mansion House each Sunday evening to discuss various aspects of religion. The membership was representative of several different sects and religions, and this fact tended to enliven discussion from every point of view.

During the year the group considered such questions as "What Is God?" and "What Is Religion?" The formal meeting sometimes served only as a starting point for informal discussions which continued into the night.

Occasionally speakers at the Sunday evening vesper services were invited to lead discussion on certain Sundays. The group also studied religions which are not well known in the United States, as well as ones which have many American followers.

Members of the group this year were these boys from the senior class: James M. Barney, William W. Capel, John N. Catlett, Lawrence W. Churchill, III, Mirick Friend, Howard D. Medwed, Robert H. Pouch, Alan N. Stone, Charles L. Sullivan, III, Peter T. Vermilya, Jeffrey C. Wilson, and Jonathan K. Wise.

Fifty-three members of the varsity football and soccer squads ushered at the Harvard-Yale game in Cambridge on November 22.

* * *

Mr. Edgar D. Dunning of the faculty has recently been appointed chairman of the Zoning Committee for the Town of Newbury, a position roughly parallel to Mr. Wither-
spoon's post as chairman of the Planning Board in the neighboring Town of Rowley.

* * *

On the invitation of the Educational Testing Service, Mr. Murphy of the English department spent a week of spring vacation at Princeton, New Jersey, helping to correct College Board Examinations.

BOYS PLAYING ON SCHOOL GOLF COURSE

The Ould Newbury golf course is located on school property adjoining the campus.

DEBATING TEAM SCORES

THREE SUCCESSIVE WINS

At the end of the 1958-59 season, the Governor Dummer Debating Club looked back with satisfaction at a very satisfactory season. In three debates this year the G.D.A. debaters vanquished their opponents each time.

The supporting pillars of the forensic society were the group of seniors who founded the club last year. Howard Medwed, president, performed outstandingly as rebuttalist in two debates this year. He gave what Mr. Marr called the "finest rebuttal speech ever heard at Governor Dummer" at the first of two Belmont Hill debates in which the Governors upheld the negative side of the resolution "The further development of nuclear weapons should be prohibited by international agreement." Pete Bostwick, Alan Stone, John Catlett and Brian Marsh, an English exchange student, gave fine accounts of themselves as constructive speakers throughout the year. Murray Mathews, a junior, spoke excellently in the second debate with Belmont Hill, in which the Governors argued

for the affirmative side of the "nuclear weapons" resolution.

The "acid test" of the G.D.A. debaters came on April 12 with a debate against Abbot Academy, which presented the prettiest team yet seen. A team of Brian Marsh, Ducky Medwed, and Pete Bostwick successfully argued that "Capital Punishment Should Be Abolished."

GOVERNOR DUMMER STUDENTS

SPEAK AT DANVERS ROTARY

In the last outside speaking engagement of the year four members of the public speaking class went to Danvers on May 13 to speak at Rotary Luncheon. Ray Ferris, Pete Bostwick, Howard Medwed, and Sandy Cate each gave five minute talks to the assembled Rotarians and were much applauded for their efforts.

At earlier meetings at other Rotary and Kiwanis clubs many members of the public speaking classes, required of all seniors, gained similar experience.

JUNIOR DEBATING CLUB IN THREE TOURNAMENTS

In December the newly-formed Junior Debating Club attended its first debate, a practice tournament at Concord, New Hampshire. Their overall score for the tournament was six debates won, six lost.

The Club's second and most important debate was the Interscholastic Debating Tournament at Dartmouth College. The score for this tournament was five debates won and three lost, leaving the club in a seven-way tie for fourth place among twenty-one schools.

The third and last debate was held at Laconia, New Hampshire, the major debating center in New England. Machinist and Dellenbaugh won two of the three debates, beating the Burlington (Vermont) High School debating team, one of the strongest in New England.

MORE BRIEFLY

On May 23 a group of boys attended a Pops Concert at Symphony Hall, Boston. They were accompanied by Mr. Shortlidge of the faculty.

* * *

On March 11 Mr. John J. Witherspoon, Director of Admissions at Governor Dummer, spoke before the Parent-Teacher Association of the Tower School, Marblehead, on the general subject of admissions to college-preparatory schools.

* * *

Mr. Mercer of the faculty spoke on Developmental Reading before the Association of Massachusetts Savings Banks at the University of Massachusetts on June 26.

* * *

Mr. Stone, Director of Studies, is a member of the standing committee on Tests and Measurements of the Educational Records Bureau.

* * *

Mr. Eames spoke before the Secondary Education Board in New York on March 7 on "Public Relations and the Trustee."

ATTENDANCE AT PARENTS' DAY AGAIN TOPS PREVIOUS RECORDS

Five hundred and ninety-four persons were seated in the Alumni Gymnasium on October 25 for the dinner which concluded the best attended and one of the most enjoyable Parents' Days on record. Three football and two soccer games gave many of 120 parents, aunts, uncles, and grandparents in attendance a chance to see their young hopefuls in action during the afternoon.

At the dinner, speeches by Mr. Eames and by Mr. Mercer and Mr. Stone gave the parents an insight into the academic life of the school; and throughout the day informal chats between parents and teachers contributed greatly to mutual understanding.

FALL MOVIE SCHEDULE INCLUDES MANY HITS

The following movies were booked for the regular Saturday night movies during the fall term: *Enemy Below*, *Witness for the Prosecution*, *Teacher's Pet*, *Vertigo*, *Proud Rebel*, *Pajama Game*, *Paths of Glory*, *Chase a Crooked Shadow*, *Old Yeller*, and *Run Silent. Run Deep*.

RIFLE CLUB FOSTERS INTRAMURAL COMPETITION

On Sunday, September 28, the Governor Dummer Academy Junior Rifle Club officially started its 1958-59 shooting season. With a record membership of forty-five, the Rifle Club is planning many activities. Currently, rifle safety is being stressed and new members are being taught range procedure.

Also, under the leadership of Mr. Fuller, faculty advisor, and Pete Bostwick, president, the club is planning an intramural league which will shoot all through the winter. Trophies and brassards will be provided by the National Rifle Association. The teams in the "Governors Nato League" will be captained by Pete Bostwick, Dave Chilton, and Murray Mathews. In conjunction with the large membership, there is expected to be increased use of the range in the coming year.

ALUMNI GYMNASIUM AND VARSITY FOOTBALL FIELD

In the foreground the Lightnings get a pep talk from Coach Williams.

GOVERNORS BOW TO GROTON, ST. MARK'S, AND BELMONT HILL

On October 25 the Governor Dummer varsity football team played host to the Groton School in the Byfield Bowl. As in previous games, the opposition got the jump on the Governors by scoring in the first quarter, in this case on a "running-pass" combination. Both teams were scoreless throughout the rest of the game. While the Governors did not have the necessary scoring punch in their newly developed offense, they played a commendable defensive game. Lonnie Churchill continued his fine running on the offense, and Tom Woodruff took a well-executed pass from Captain Randy Light to set up the Governors' scoring threat.

The St. Mark's gridiron was the site of the Governors' game on November 1. From

the beginning St. Mark's hard-hitting offense drove the Governors yard by yard down the field to repeated scores. Unlike the Groton game, this was a battle of offenses; and St. Mark's took advantage of every Governor Dummer mistake; e.g., two of St. Mark's touchdowns were on pass interceptions. Touchdowns by Lonnie Churchill and Randy Light and the conversion by Bill Tuxbury gave the Governors fourteen points to St. Mark's forty-four.

The Byfield Bowl witnessed the last football game of the 1958 season on November 8 in a battle between Belmont Hill School and the Governor Dummer eleven. At the end of the first half Belmont Hill had an 8-6 edge on the Governors, and they set the Governors further back in the third quarter with two "back-to-back" touchdowns. With the score at 36-14 in the fourth quarter, Randy Light called a pass which the team

successfully executed to Lonnie Churchill for a quick score. Hoping for a possible upset in the final minutes, the Governors threw more passes until an interception foiled the attempt. Belmont then proceeded to run out the clock, taking the game 36-22. Both Lonnie Churchill and Whit Kimball scored touchdowns and made some large ground gains for the Governors from the half-back spot, while ends Tom Woodruff, Bill Tuxbury, and Tony Greene made yardage on pass plays.

SOCCKER TEAM PLACES FIFTH IN PRIVATE SCHOOL LEAGUE

Having won two games, tied one, and lost three, the varsity soccer team went to Concord, New Hampshire, on October 22 to play St. Paul's, probably the most powerful team it was to meet this season. Although the Governors did not let up their fighting charge, they could not stop St. Paul's from scoring seven goals.

On Saturday, October 25, the team entertained Tabor Academy on Whipple Field in their fifth league game. The Governors played extremely well, and almost every pass was on target. It was raining during the second quarter when the first goal of the game was scored by Tabor. The Governors came back full force with a goal by Pete Sherin after a fierce scramble in front of the cage. Both clubs played well in the second half, but neither managed to score, and after two five-minute overtimes the score was tied 1-1.

Governors Outplay St. Mark's in First Half

In their sixth league game, the Governors went to Southboro to meet an undefeated St. Mark's team. Although St. Mark's was an extremely coordinated team, the Red team outplayed them during the first half but could not manage to punch in any goals. St. Mark's returned in the third quarter to make two quick scores. Pete Sherin scored for the Red Team, and the fight was renewed, but again St. Mark's rallied and put in three more fast goals. The game ended with St. Mark's winning 5-1.

FOUR FOOTBALL, THREE SOCCER TEAMS HAVE FULL SCHEDULES

Junior varsity, Lightning, and Pony football teams, J.V. and Pony soccer teams, in addition to the varsity teams in those sports, engaged in interscholastic competition during the fall term. Their combined schedules involved a total of forty-two contests with teams from eighteen different schools.

At the annual Christmas Dinner on the last night of the fall term, letters were awarded to twenty members of the varsity football team and eighteen members of the varsity soccer team. At an earlier meeting on the night before Thanksgiving recess, letters had been awarded to ninety-four members of the five sub-varsity teams in the two sports.

WRESTLING TEAM ENJOYS AN UNDEFEATED SEASON

For the second time in three years Mr. Evans has produced an undefeated wrestling team, this year with the assistance of Mr. Marr.

The season began on January 14 at Browne and Nichols in Cambridge. The Governors pulled into high gear immediately and swept the lower weights with two falls, two decisions, and a tie. The upper weights did almost as well, although Captain Churchill lost the only bout of the day by a 3-4 decision to Browne and Nichols' captain.

In its second match the team entertained Noble and Greenough on the home mat. The Governors encountered rough going in the higher weights, winning at 138, 147, 157, and 177 by only one or two points. Dayboy Dick Pratt handily licked his man in the unlimited class to give the team a final score of 17-28 and its second victory.

Belmont Hill and St. Mark's Fail to Stop Victory March

After a one-sided victory over Belmont Hill, on January 31 the Governors faced St. Mark's on the home mat. Although the Governors' as yet unchallenged lower weights sank under the onslaught of the experienced St. Mark's wrestlers, the team gained momentum as Ray Ferris, Lonnie Churchill, Bill Capel, and Pete Bostwick won in successive matches, but after Fred Lyman's loss to St.

Photo by Ralph J. Coffman, Jr.

KENT DUMONT SNARES A PASS IN THE MILTON GAME

Mark's Bigelow, the Red trailed by one point. Dick Pratt stepped on the mat with blood in his eye for the unlimited bout, promptly took his man down, and pinned him in one minute forty-five seconds of the second period.

In the fifth match the Governors earned an easy victory over Brooks, but Roxbury Latin on February 7 was the scene of a real challenge. Fred Smith started off by completely outwrestling his opponent and gaining a valuable eight points. Then the Governor Dummer wrestlers encountered three of the best wrestlers in New England and gave up the lead when they lost three straight. Ray Ferris won for the Governors at 138, Captain Churchill wrestled Roxbury's Steve Astor to a beautiful 7-0 win, Fred Lyman and Pete Bostwick both won their bouts, and the final score was 41-25.

*Milton Grapplers Fail to Halt
Governors' Sweep*

Facing the perennially well-balanced Milton team for their last home match on February 14, the Governors came through with a seventh victory.

On February 18 at Concord, New Hampshire, St. Paul's, a new addition to the schedule, and a newcomer in varsity wrestling, provided an easy victory. In the last match of the season at Tabor on February 28, the Governors swept to a 56-32 final triumph.

SKIERS ENJOY TRIPS TO
DISTANT MOUNTAIN SLOPES

Accompanied and coached by Mr. Nathan Fuller of the faculty, Governor Dummer skiers made a number of weekend trips to New Hampshire slopes. Perhaps the most successful one occurred on February 1 when thirty-three boys made the trip to North Conway.

After a brief six o'clock breakfast in the school kitchen, the boys piled themselves and their skis into a bus for the two-hour trip to the mountains. Reaching the slopes shortly after nine, they had a long day of excellent skiing and returned to school in time for the evening vespers service.

GOVERNORS PLACE SECOND IN BASKETBALL LEAGUE

This year the varsity basketball team at Governor Dummer competed as a member of the Private School Basketball League. Captained by Randy Light, the Governors started off their season with a home game on January 11 against a formidable team from Lawrence Academy. The Red Team was sparked by 25 points by Captain Light and 12 by forward Bill Tuxbury, but Lawrence ended up on top, 51-19.

With a substantial victory under their belts at St. Sebastian's on January 17, the varsity made a trip to Belmont Hill on January 21 for their first league game. This game with last year's league winners was expected to be the toughest in the schedule, and Belmont Hill dealt the Governors a decisive defeat, 80-43.

Governors Come from Behind to Gain First League Victory

Led by Captain Light, Kent Dumont, and sophomore Tom Woodruff, the Governors obliterated a first-period deficit against Browne and Nichols to pull out their first league victory, 50-11. On the following Saturday the team suffered a heartbreaker at St. Mark's. After a three-minute overtime, the final score was St. Mark's 51, Governors 49.

Coming into the game with Moses Brown on February 7, the Governors had high hopes of winning two in a row after a five-point victory over Middlesex. Moses Brown gave the Red Club a nip and tuck ball game from beginning to end, but the 25 points tallied by Bill Tuxbury gave Governor Dummer a four-point edge in the final score, 58-54.

After substantial victories over Brooks, Milton, and St. Paul's, Governor Dummer experienced a very tense game with Belmont High School on February 25. The see-saw battle which ensued after the starting tip-off was not decided until late in the fourth quarter, when Captain Randy Light led the Governors in a last surge which terminated in a rewarding victory, 53-50. The following Saturday, February 28, the Governors met Noble and Greenough for their last league game. By winning 51-41 the team wrapped up second place in the league.

On Sunday afternoon, March 1, the Alum-

ni Gymnasium was the scene of the Captains' Game in which the Belmont Hill team, league champions, met a team selected from the captains and captains-elect of the other teams in the league. Mr. Williams, as coach of the second-place Governors, coached the captains, and Captain Randy Light and Captain-elect Bill Tuxbury of the Governors were high scorers.

VARSIITY SEXTET SHOWS FLASHES OF BRILLIANCE

With three days of actual practice, the varsity hockey team opened its season on the 10th of January against league-winning St. Mark's. Varsity hockey was a new experience for most of the Governor Dummer players, and St. Mark's over-powered them with strength and veteran ability, winning 9-1.

On January 14 the Red Team met Brooks at North Andover. For the Governors, Brooks was a more even match than St. Mark's. The game remained at a 1-1 tie until the last few minutes when Brooks scored a heart-breaker.

The M.I.T. Freshman game at Cambridge indicated a tremendous improvement both offensively and defensively for the Governors. This was their first non-league game and the first victory. Captain Charlie Langmaid secured the win with the third goal in the 3-1 margin.

On January 21 Alan Booth scored the Governors' lone goal in a 5-1 defeat at Noble and Greenough.

In the following game, with Browne and Nichols, the Red Team fell into Browne and Nichols' style of play and lost a slap-happy game by 2-1.

Middlesex Game Gives Governors Their First Home Victory

Middlesex was next on the schedule, and the Red Six was cheered on to a 2-1 victory at home. This win brought a great deal of new enthusiasm and confidence; and, as a result, the Governors, behind John Slater, had little trouble beating Lawrence Academy 2-0 on January 31.

With memories of the preceding year, the Red Six met St. Sebastian's with determination and fire. When Chris Prewitt scored

TIM HILL TOPS THE BAR

Photo by Warren T. Vaughan, III

early in the opening period with a long, low shot from the blue line. it looked like an upset; but St. Sebastian's had the depth and skating advantage and scored two security goals in the third period to make the final score 4-1.

On the 11th of February the varsity six experienced the new sensation of playing a night game at the Lynn Arena. The 3-2 victory over Lynn Classical can certainly be credited to the Governors' quick-handed goal-ic, Bill Brian.

In their next game the Governors' aggressiveness could hardly compete with Milton's skating ability. The Governors had several break-aways resulting from smooth clearing from the defensive zone, but Milton prevailed behind Tailor, 4-1.

February 28 brought the last game of the twelve-game schedule. The Governors' first defense of Captain-elect Jim Deveney and Bob Pouch effectively tied up the Belmont line in the first part of the game, but the strong, well-centered Belmont Hill team won handily in the last two periods by a score of 6-1.

VARSITY TRACK TRIUMPHS OVER MILTON AND ST. PAUL'S

On May 9 the Governor Dummer track team met the Milton team on Morse Field. During the first few field events the score remained close, but the Governors shortly forged ahead to stay. The hundred-yard dash was swept by Bill Capel, Everit Terhune, and Howard Medwed respectively. Directly afterwards, Bill Turner, Denis Golden and Jon Bailey did likewise in the 440-yard run. An hour later Bill Turner won the half-mile race with second taken by Edgar Kaiser, who also finished second in the mile run.

On May 16 the Governors took third place in Class B at the Preparatory School Meet held at Exeter, N. H.; on May 20 on their own track they were beaten by Decring High School 56-51.

They closed the season on May 23 at home with a gratifying 76-46 win over St. Paul's. The Governors took an early lead by taking all three places in the shot put, and they were never seriously threatened thereafter.

WINTER TRACK TEAM LED BY CAPTAIN EVERIT TERHUNE

Seldom has the winter track team attained success in the Exeter Cage. This year, however, a determined squad upset the Phillips Exeter second team on February 4 by a score of 40 to 32. Captain Everit Terhune led the way by winning the forty-yard dash. William Turner was victorious in the six hundred-yard run and tied for first in the high jump. Edgar Kaiser won the thousand-yard run and Peter Boynton led the shot putters.

Unfortunately, the Governors were not as successful in all meets. The season opened on January 24 with a triangular meet against Phillips Exeter and Tabor. Placing in several events, the Governors were badly beaten by Exeter and edged by Tabor, the final score being Exeter 61-1/6, Tabor 16-5/6, GDA 11.

After a stiff two weeks' practice, the tracksters travelled to Andover for another triangular meet, placing 10 points behind Phillips Andover's 44, but 14 ahead of Andover High School. Next came the B.A.A. Relays at the Boston Garden in which the Governors missed placing in the evening games by 1-1/10 seconds.

The final competition was at Andover in the Private School Meet. Even though the team did not place, the contestants gained much experience which was valuable in the spring track season.

FOUR-GAME WINNING STREAK CROWNS J.V. BASEBALL SEASON

Of all the junior varsity and freshman teams which played interscholastic schedules during the spring term, none had a more glorious season than the J.V. baseball team, whose four-game winning streak at the end of the season gave them a 6-4 record.

A source of particular satisfaction to the team and their coaches was the fact that their end-of-the-season spurt included victories over a Haverhill Freshman team and over J.V. teams from Exeter and Middlesex, three of the four teams that had beaten them earlier in the season.

LACROSSE TEAM IMPROVES AFTER POOR BEGINNING

With less than a week of practice behind them, the lacrosse team opened its season against the highly rated Harvard Freshmen at Harvard on April 15. The team's lack of practice and inability to work together as a team was evident as Harvard amassed an 8-0 lead in the first half. In the second half, Captain Lonnie Churchill chalked up the Governors' only tally, but the team could neither score again nor slow down the Crimson attack. The final score: Harvard 13, GDA 1.

On the following Wednesday the Governors handed the "slide rule boys" of M.I.T. a 4-2 defeat in a game that wasn't as close as the score indicates.

The team lost its next game, on the 22d, to Andover by a score of 8-1. The Governors' play was at best indifferent, and they were unable either to contain Andover's attack or to mount an offense themselves.

Governors Score Three Goals in Twenty Seconds by the Clock

On May 2 the team carried the spirit of the spring dance weekend and defeated Tufts Freshmen 12-6. At one point Tufts came within one point of tying the score, but the Governors immediately retaliated with three goals in a period of twenty seconds.

In another gratifying win over St. Mark's, 7-3, on Wednesday, May 6, the scoring was done by Rick Friend, Ray Ferris, and Lonnie Churchill. Through the afternoon Churchill played well on the midfield and attack, and Bob Pouch was superb in the goal.

The following Saturday at Kimball Union Academy the Governors emerged victorious by a score of 10-7. The team played well in the first half and amassed an 8-3 lead, but in the second half they suffered a let-up and were barely able to stall a Kimball Union rally.

The Governors' victory march was interrupted by set-backs at Lawrence Academy of Groton, 3-3, and by St. Paul's 6-3. Then the Redmen came back with a 9-4 win over the New Hampshire Freshmen and a very gratifying 8-7 victory in a hair-raising final contest with Tabor at South Byfield.

CAPTAIN RANDY LIGHT LAYS DOWN A BUNT IN THE TABOR GAME

TENNIS TEAM BLANKED BY MIDDLESEX AND ST. PAUL'S

On April 18 the Governors met a strong Middlesex tennis team on the Byfield courts in one of the Red Team's toughest matches of the season, and despite a fine effort lost by a 9-0 score.

On the following Wednesday, the Governors travelled to Cambridge to meet the M.I.T. Freshman team. Charlie Langmaid played exceptionally well, winning the team's first point of the season, while M.I.T. amassed eight points.

On April 25 the team played St. Paul's School at home. Several close matches were played, but the visitors proved themselves the better players and emerged victorious. 9-0.

The Governors met the Exeter Academy J.V. team at home on May 6. Exeter had great talent and depth, but the Governors played hard and well. Greg Meyer managed to win over his opponent, and Meyer and Tom Cervasio won their doubles match for the only two Governor Dummer points of the day.

The following Saturday, at Southboro, St.

Mark's won all nine matches. Jebb Selden played very well for the team, losing a close three-set match.

After being blanked by Belmont Hill, Milton and Brooks, the Redmen ended their season with an 8-1 victory over Haverhill.

THREE TIE GAMES FEATURE GOVERNORS' BASEBALL SEASON

The Red Nine opened its season against Haverhill High School on the 10th of April. With only seven days of practice behind them, some in Alumni Gym, the Governors made an impressive stand against the always strong Haverhill team. Behind pitchers Randy Light, Fred Huntress and John Slater, they held the visitors scoreless for the entire nine innings. With the Governors also runless, the game ended in a 0-0 tie.

On April 15 Groton School came to South Byfield. When the seven-inning ballgame (Wednesday regulations) was over, the score was at a 2-2 deadlock.

The team had its first road game on Sat-

urday, April 13, at Roxbury Latin School. Starting hurler Fred Huntress was relieved by John Hyslop in the sixth inning. Again the final score was a tie, 3-3.

The following Wednesday brought a 7-1 victory for the Red Team over Browne and Nichols, and Noble and Greenough was defeated at South Byfield on April 25. The battery of Light and Brian had Noble and Greenough jinxed until the ninth inning when two opponents reached bases after two outs. A spectacular catch by first baseman Whit Kimball in foul territory saved the win.

The traditional spring dance weekend game with Tabor was the first upset of the season. Tabor held the Governors scoreless throughout the game and also scored four scattered runs.

However, by Wednesday the varsity nine had "shaken off" their first defeat and were ready to face St. Mark's impressive pitching record of two no-hitters. With Randy Light on the mound and Arnie Wood behind the plate, the game was tied 2-2 going into the fourth inning, but St. Mark's rallied for five runs in the fifth. John Slater relieved Light in the sixth and did a fine job, but the seven inning game gave the Governors little time to retaliate and the final score was 8-3.

Commencement Game Ends in Thrilling Victory

On Commencement Day the Governors pulled one out of the hat, coming from behind to defeat Belmont Hill 7-6 after trailing 5-1 for seven innings.

Losses to Belmont Hill, Middlesex, and St. Sebastian's and victories over Milton, Brooks, and St. Paul's in other games gave the Governors a 5-5-3 record for the season and third place in the Private School League.

GOLFERS LOSE TO HARVARD AND TO M.I.T. FRESHMEN

On April 18, in the first match of the year, the Governor Dummer golf team went down to an 8-1 defeat at the hands of Harvard. Dave Chilton and "Pebble" Rock scored the only point for the losers.

On April 22, the Governor Dummer linksmen journeyed to Exeter, New Hampshire, to play in the Exeter-Andover Round Robin. In

the first round of this event they placed second, behind Exeter.

The M.I.T. Freshmen, another perennially strong team, came to Ould Newbury on April 25. As in their previous home match, the Governors lost 8-1. The Redmen's only point was registered by Al Tucker and Ted Bliss.

In the second round of the Andover-Exeter Round Robin on May 6, the Governors could do no better than third, but in the following match with St. Sebastian's they won handily by a score of 6½-2½.

MORE BRIEFLY

The Trout Club's annual fish fry was held on the Ambrose House lawn on Sunday morning, May 31. Rainbow trout from the Ambrose pond were the main item on the diet but they were plentifully supplemented by bacon and eggs. Mr. Dunning presided at the skillet; Mr. and Mrs. Anderson were guests.

* * *

Freshmen dominated Camera Club activities during the past year. Especially notable for their contributions to the publications were Peter Machinist and Warren Vaughan.

* * *

Steak and apple pie a-la-mode featured the menu on December 20 when the champion volleyball team gathered for their victory dinner. To earn the privilege Mr. Ashley Eames' Electrons had defeated Mr. Evans' Ewers in the playoffs which ended the annual three-week season.

NEW CINDER TRACK

(Continued from page 3)

5' 10½". Pesky's record was tied in the same year by Hank Moore; and still later in that year Nelson Idler set the present record of 5' 11¾".

Mr. Huggins also had a war record of which his school and his classmates are proud. He enlisted in the Army Air Force in 1943, completed thirty-five missions as a tail gunner in a B-17 Flying Fortress, and was twice decorated for "courage, coolness, and skill."
